

Product Change Notification

TE Connectivity

Product Change Notification: P-22-023189

PCN Date: 18-AUG-22

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
Nanonics, Circular Connectors.

Description of Changes
Dear Customer, TE Connectivity (TE) preferred supplier has relocated molded components production to a different manufacturing location. This is a tool and mold relocation only, with no changes to parts form-fit-function. The molded parts will be approved and validated through First Article Inspection prior to molding and final assembly production. This change notification applies to Lead Organizers and Circular Insulators, used in NANONICS products that TE supply to you.

Reason for Changes:
Dear customer, we hereby inform you about the change of suppliers for NANONICS molded parts. The new manufacturing location follows a strict procedure, which fully maintains quality, ability to supply and form-fit-function of the concerned products. Form, fit and function will not be affected as current molds will be relocated. The design of the components will continue to be the same.

Estimated Dates:	
Last Order Date (Obsolete Parts Only):	First Date To Ship (Changed Parts Only):
	20-OCT-2022
Last Ship Date (Obsolete Parts Only):	Last Date for Mixed Shipments: (Changed Parts Only):
	No Mixed Shipments
